

Downloading FastBook Mobile App

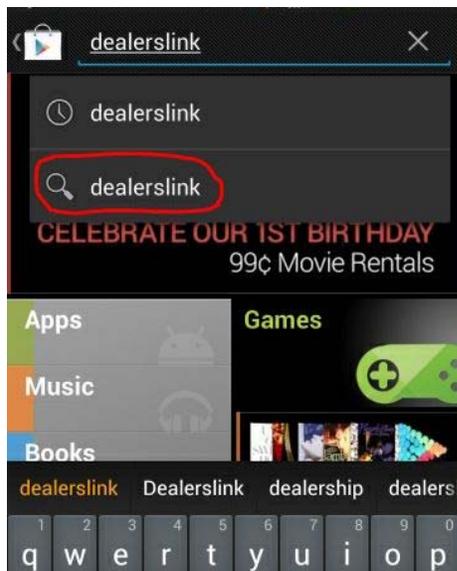

1. Go to "Google Play" store.

2. Click on the magnifying glass in the top right hand corner.

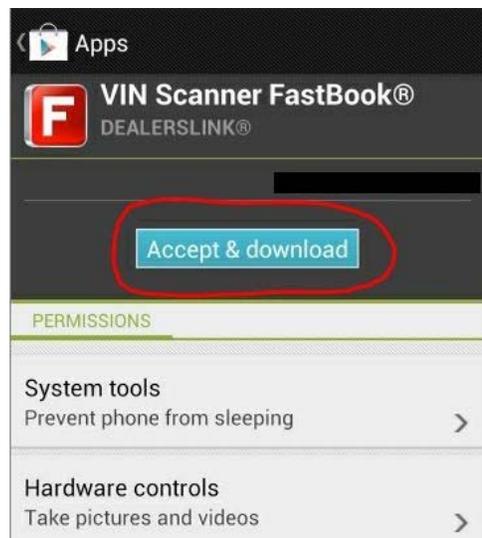

3. That will pull up the search bar – type in "Dealerslink".

4. It will give you two choices – VIN Scanner FastBook® and VIN Scanner ExportPro™

5. Install and Download FastBook® onto your phone.

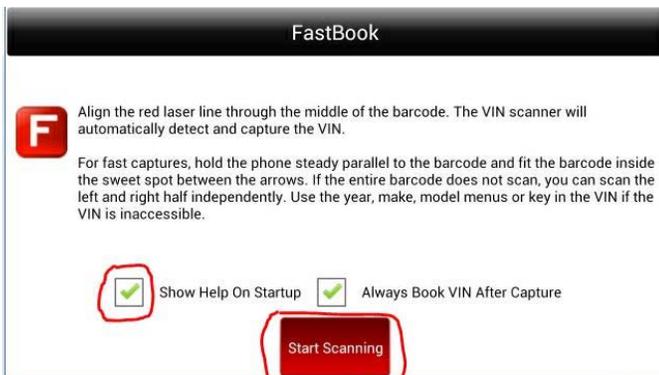

Getting set up and Logging In

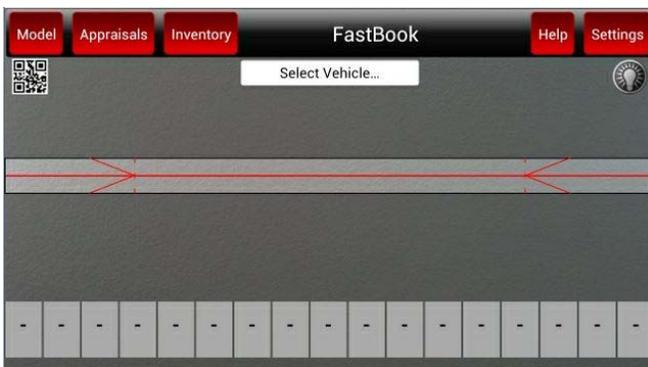

1. Launch FastBook® from your phone.

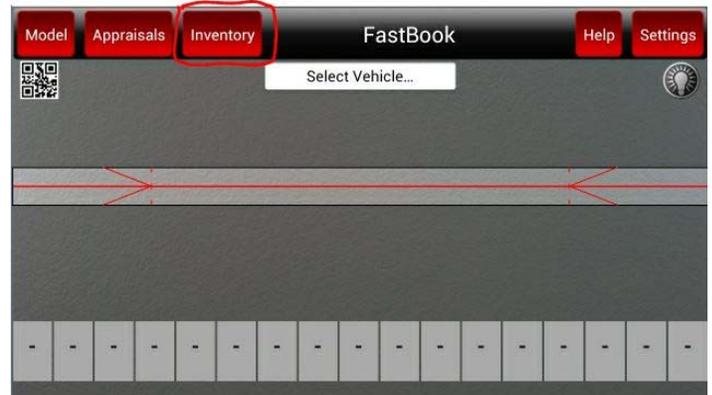

2. Uncheck “Show Help On Startup” and make sure “Always Book VIN After Capture” is checked. Press “Start Scanning”

3. This will pull up the VIN Scanner and you can capture the VIN here and copy it for free.

4. You'll need to sign into FastBook® – then press the “Inventory” button.

5. The login screen will appear. This is where you login to book out the VIN number you scanned. There is a monthly subscription fee to login and run book values and access the rest of this app.
