

Downloading FastBook Mobile App:

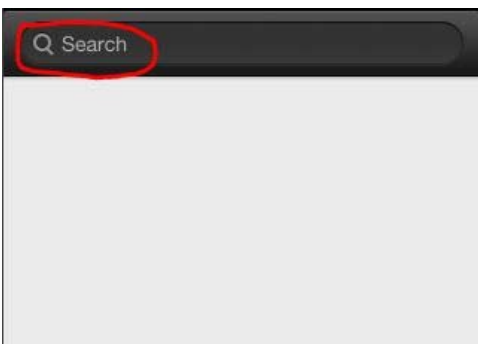

1. Go to "App Store"

2. Click on the "Search" button at the bottom.

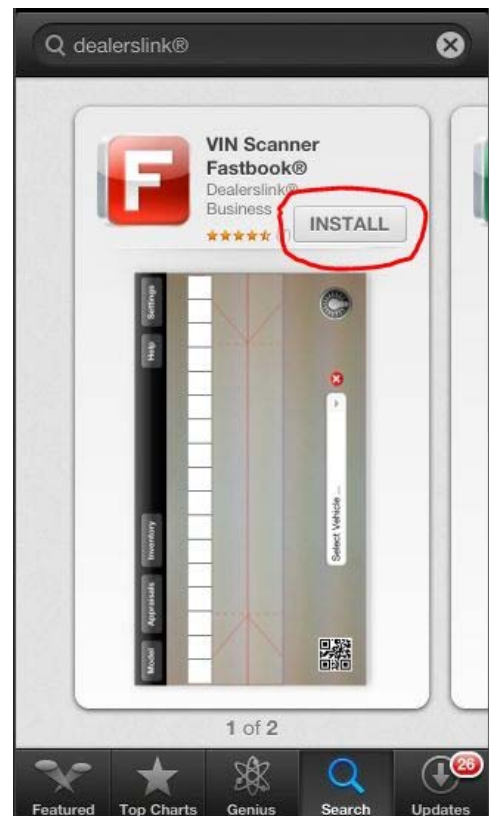

3. That will pull up the search bar – Press on "Search".

4. Type "dealerslink" then press on "dealerslink®".

5. It will give you two choices – VIN Scanner FastBook and VIN Scanner ExportPro – Install "FastBook®".

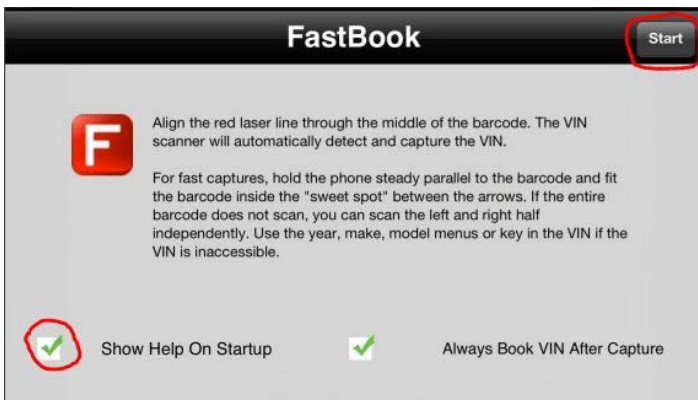

Getting set up and logging in:

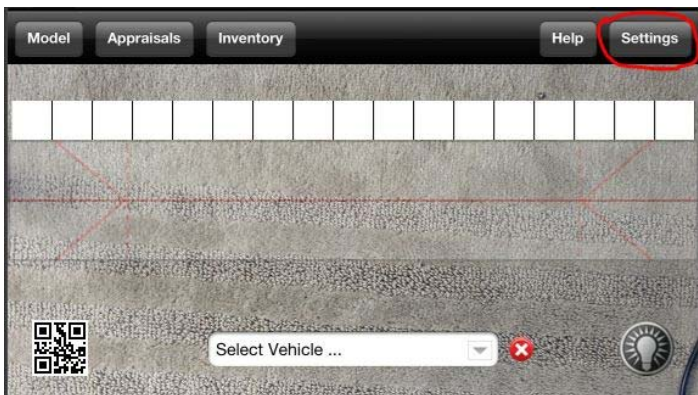

1. Launch FastBook® from your phone

2. Uncheck "Show Help On Startup" and make sure "Always Book VIN After Capture" is checked. Press "Start Scanning".

3. This will pull up the VIN Scanner. Press "Settings".

4. The "Settings" menu will appear - Press "Login"

5. Enter your Dealerslink username and password, then press "Log in" or "Done"
